

Job description

We are not your typical trucking company.

We are POET Ethanol Products, a diversified company based in Wichita, KS and a leader in marketing Biofuels since 2000. We reward our valuable team members with a generous benefits package and offer work schedules that will allow you to spend time at home with your family. We operate with a company culture based on family values and understand everyone has responsibilities outside of work. We are committed to accommodating those needs through flexibility and understanding when they arise. We are family.

- Get paid for orientation and while training (Up to 2 weeks)
- Earn Paid Time Off per pay period at start of employment
- Paid Holidays
- Quarterly safety bonuses
- Annual bonuses
- 401K with 100% company match up to 6%
- Steady work all year
- No forced dispatch
- Assigned equipment
- Late model well maintained equipment – 5-year trade cycle
- Live dispatch 24/7/365
- Medical, dental, vision, life, long term and short-term disability insurance available
- \$35 monthly cell phone reimbursement
- Reimbursement for hazmat and medical card renewals
- Paid detention time
- Regional Position-Home weekly
- 5-day work week with opportunity to work more.
- Truck parks in Berryville, AR

Tasks and duties will include:

- Loading of product according to requirements: (CO2)
- Driving to destination and unloading of product according to customer requirements
- Pre-trip and post-trip inspections
- Following all local, state and federal laws, rules and regulations
- Quality customer service

A preferred candidate will meet the following criteria:

- Have at least one year of truck-driving experience
- Have a CDL A with Tanker and Hazmat endorsements
- Be reliable and have a strong work ethic
- Have a great attitude

Please call 316-303-3846 with any questions
